LETTER OF APPRECIATION

Sir,

I would like to take this opportunity to express my sincere thanks and appreciation to you for the professional and prompt response during the unfortunate accident on Sunday 14 August 2011.

Although we are most of the times reluctant to respond with any praise or thanks, I just want to convey my personal thank you, from Johannesburg Operational Management, for the great assistance particularly during this time.

Your professionalism and courteousness under trying conditions were highly appreciated.

Good Show! My hat's off to you.

.....
